- Multi Media Storage consists of hanging files, supplies, DVD's, CD's, bulk or box storage items
- Linear Filing Inch (LFI)
- Security Shade – Locking **tambour** door accessory for 4-post shelving only. Mounts to shelving canopy top and adds 8.25" to overall height. Graphite Only

ARC Rotary Filing System

- Two sided storage system that offers independent shelf adjustability.
- New pass-through shelf permits larger or bulk storage option
- Universal base for both “starter” & “adders” simplifying future expansion and reconfiguration
- Ideal filing solution when storing top tab files or drawer type supplies
- Locking security
- Shorter tier height option.

File Harbor

- Best used when available filing space is narrow – limited depth
- Good filing solution when a customer is storing top tab media.
- “Work File Pocket” option: Creates a side tab filing solution with top tab media. (Side tab visibility available through “Work File Optic” located on hanging pocket.)
- Side receding tambour doors provide locking security as well as full view of the stored items.
- 38” shorter, tier- height cabinet.
- Mobile Options: Kwik-Track, Mobile 810 Manual; Mobile 820 Mechanical Assist

Flip N’ File

- Best used when available filing space is narrow – limited depth, 17” deep.
- End-tab filing solution ONLY.
- Options: With or without receding metal doors
- 5, 6, 7,tier- height options
- Gang lock for security

File Harbor on Kwik Track

- Optimizes floor space by compacting laterally in a Bi-or Tri-File design.
- Maximum track length: 15’
- Best compacting solution for narrow depth space.
- Locking security.
- Mobile Options: Kwik Track

4-Post Shelving

- Easy to install – NO hardware required
- Maximizes media storage with greatest LFI capacity per shelf
- Best solution with limited floor loads.
- Standard & heavy-duty options – Shelves can support up to 1,000 pounds per shelf.
- Starter / Adder units allow infinite design length options.
- Mobile Options: Mobile Lie, 810 Manual, 820 Mechanical Assist, 4-Post on Kwik-Track
-

4-Post on Kwik Track
